9 Easement claimed:
I purchased The Holme on 8-9-1970. Since that date to the present day I have always obtained access from the adopted highway at point X on the plan to The Holme along the track marked green on the plan. In 1970 Nicholas Elliott owned the burdened land and it is now owned by his daughter Mrs Scott. I have never received any objection whatsoever to my use of the access track and I have never had to ask permission to use it. I use it continuously, it is the only access to The Holme.

Insert details of the facts relied on to support the claim that an easement has been acquired by prescription.

Insert details of date and circumstances in which the user in panel 10 started and finished. Any 'gaps' must be specified if the period is not continuous.

Place 'X' in one box only and complete the relevant statement if appropriate.

Insert details, including dates, and attach any available correspondence or other relevant documentation.

If you place 'X' in the second box you are unlikely to establish a claim to the easement by prescription.

Insert details of any past or present contact with the owner of the burdened land or person thought to be the owner and/or any tenants and/or mortgagees of that land, including dates. If none, please state this by inserting 'none'. If there has been any dispute concerning the claimed right, please provide details, including dates. Attach copies of all available correspondence or documents relating to the contact or dispute.

Insert other relevant details, (if any).

10 Details of user:
For nearly 43 years I have used the access track shown coloured green on the plan on foot, with cars and wagons, with agricultural machinery and with livestock. All visitors to The Holme use the access track with vehicles.

11 Period of user:
8th September 1970 to the present day

12 User without force, secrecy or permission

I confirm that

- to the best of my knowledge and belief, the user has always been exercised without force, secrecy or permission
- the user has not always been exercised without force, secrecy or permission because:

13 Contact with freehold owner of the burdened land and related persons:
Over the years I have seen Nicholas Elliott, Mrs Scott and their land agent from time to time.
